

# Summer Reading List and Assignment for Grade 3

Summer Greetings Rising Third Grade Families! We are so excited to have your student in our class for the 2022/2023 school year! Summer is here and we hope you will encourage your rising 3rd grader to read several times a week. Remember that your student may **READ ALONE, PARTNER READ with YOU, or BE READ TO BY YOU**. Studies show that parents who read to their children until their teenage years encourage their children to become lifelong readers! Below is a Third Grade Book List with suggestions for you and your child to consider reading together this summer. There are books at several different levels to accommodate all readers. If your child is reading something else, please let us know so we can share your ideas with the class.

Below the list you will find the summer reading assignment. If your student is an advanced reader, then feel free to read a different book not on the list. Here are some fantastic options for ALL levels of Readers:
