THE 2023-2024 ANNUAL FUND DRIVE HAS BEGUN!**

At St. John Paul II Catholic School, we are committed to providing a high-quality education that nurtures young minds, fosters character development, and instills values that last a lifetime. However, delivering this exceptional education comes at a cost, and tuition alone covers less than 70% of the actual expenses. To bridge this gap and maintain the high standards of education that our students deserve, we rely on the support of our generous community through the St. John Paul II Catholic School Annual Fund.

Your contribution to the Annual Fund serves as an investment in the future of our students and the overall well-being of our school. Here's how your support directly impacts our mission:
