Dear Friend,

As Christians, we are people of Good News, a phrase that translates literally to the word "Gospel". The Good News is part of our academic and spiritual education. It defines the purpose of our work at St. John Paul II. Our prayer is that we maintain our excellent academic record while striving to lay the framework for solid Christian values.

After tuition income, the Annual Fund is St. John Paul II Catholic School's primary vehicle for supporting educational programs, enhancing technology, and providing tuition assistance. The Annual Fund also allows for staff development, which directly benefits our students.

Today, we ask you to consider a gift or a pledge to the Annual Fund so that we may continue to live up to our mission.

Caritas in veritate,
